

WALK WITH US – VIRTUALLY – AND MAKE A DIFFERENCE FOR MINNESOTA KIDS.

You're invited to walk, play,
climb, dance — whatever your
crew does best — and raise
money for Children's Minnesota.

About the event

Walk for Amazing is a celebration of our extended family — our patients, their care teams, siblings, parents and everyone who believes that kids deserve health care that goes above and beyond.

It's a chance to share stories, connect with others and do some good. Now more than ever, Children's Minnesota is relying on the support of the community to continue to deliver excellent, compassionate health care for the most amazing people on Earth.

How you can make a difference

Throughout the month of May, kids and families will be getting active to support Children's Minnesota. Walking, running, biking, jumping rope, playing sports or whatever they do best, right from their own homes. Their activities and personal stories will inspire the community to donate to Children's Minnesota. Help us elevate their voices and share your passion for and commitment to kids health by becoming a sponsor.

The money raised at Walk for Amazing makes possible the special kind of kid-centered care that Children's Minnesota is known for. From cancer treatments to complex surgeries to rare diseases, Children's Minnesota cares for more kids than any other team in the region.
